

Garland Brook

Only one-piece markers are used in section 67 and section 88. Foundations may be poured larger than marker to accommodate clay or concrete flowerpot..(\$.30/sq in)

These markers are a sampling of available styles for these sections.

Each marker is custom carved. Frequently, designs shown on one marker may be carved on another marker. Ask about prices for other colors, custom sizes, extra lettering, emblems, and vases.

These photos are not to scale. Sizes and colors will vary slightly. Photos of display markers are shown and priced in stock sizes.

A Bronze or Granite Veteran marker installed as one-piece markers is appropriate for these areas and available at no charge for Veterans. Ask the cemetery office for details

Prices listed include granite, basic carving, foundation, tax and installation. We will guarantee the prices below for 30 days after 3/4/2008. To guarantee price, bring pamphlet with you.
